

Why choose the Philippines?

Unique benefits of working in the Philippines:

LOWER COSTS

Save on labor costs by outsourcing project work or entire functions. Most companies recognize 50-75% savings over onshore rates.

ACCESS TOP TALENT

With 8.2 million college graduates and a well-established IT/BPO culture, the Philippines offers a highly educated talent pool. The number of Fortune 500 companies tapping into this market has resulted in a talented, experienced workforce.

SCHEDULING FLEXIBILITY

Resources work according to the schedule that you desire. Supplement your existing workforce with individuals working simultaneously with your onshore team, or leverage alternate shifts for 24x7 operations.
